

The average number of full-time equivalent employees determines the annual investment of an organization with the Searcy Regional Chamber of Commerce. This schedule has to be carefully developed to insure the most equitable investment. It is a suggested minimum, and does not reflect community spirit and commitment to economic development, but serves as a guide.

Number of Employees	Amount of Investment
1-5	\$ 190.00
6-10	\$ 285.00
11-20	\$ 380.00
21 - 35	\$ 475.00
36 - 50	\$ 570.00
51 - 100	\$ 790.00
101 - 200	\$1,060.00
201 - 300	\$1,325.00
301 - 399	\$1,595.00
400 -499	\$1,750.00
500 +	\$1750 + (\$.50 per employee over 500)
* 2 <i>part-time employees = 1 full-time employee</i>	
Retirees/Students	\$ 95.00
Professionals (Doctors, Attorneys, Accountants, etc.):	\$ 190.00 per professional
Realtors/Insurance/Financial/Investments	\$ 190 per licensed staff member
Hotels	\$ 190.00 + \$2.00 a unit
Utilities/Hospitals/Education/Gas Exploration	Negotiable
Banks	Negotiable
